The Honorable Board of Supervisors County of Los Angeles 383 Kenneth Hahn Hall of Administration 500 West Temple Street Los Angeles, CA 90012

**Dear Supervisors:** 

APPROVAL OF AMENDMENT TO LEGAL ENTITY **MENTAL HEALTH SERVICES** AGREEMENT WITH PENNY LANE CENTERS FOR FISCAL YEAR 2002-2003 AND AUTHORIZATION OF DISBURSEMENT TO PENNY LANE CENTERS (SUPERVISORIAL DISTRICTS 1, 3 AND 5) (3 VOTES)

#### IT IS RECOMMENDED THAT YOUR BOARD:

- 1. Authorize the Director of Mental Health or his designee to prepare, sign, and execute an Amendment (substantially similar to the Attachment) to the Department of Mental Health (DMH) Fiscal Year (FY) 2002-2003 Legal Entity (LE) Mental Health Services Agreement Number DMH-01243 with Penny Lane Centers (Penny Lane). The Amendment will enable DMH to shift \$34,715 from the Federal Financial Participation (FFP) funding category to the unrestricted County General Fund (CGF) category. There will be no change to the Maximum Contract Amount (MCA). The Amendment will be effective upon Board approval.
- 2. Authorize the Director of Mental Health or his designee to pay, on a one-time basis, \$34,715 to Penny Lane for Early and Periodic Screening, Diagnosis and Treatment (EPSDT) services provided in FY 2002-2003 for which the agency has not yet been paid. The \$34,715 is fully funded with FY 2004-2005 Adopted Budget's settlement funds.

The Honorable Board of Supervisors May 19, 2005 Page 2

## PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Your Board's approval of this request will enable DMH to reimburse Penny Lane for three (3) months of FY 2002-2003 EPSDT Medi-Cal services for which the agency has not yet been paid due to a duplicate match Identification (ID) numbers error and Medi-Cal Certification administrative delay error. Relevant details are provided in the Facts and Provisions/Legal Requirements section. These claims cannot be re-billed to the State due to the State's twelve-month Medi-Cal claiming statute. Since these claims have not been processed nor denied by the State, they will not be allowed by the State for consideration during the settlement process. The agency's claims for services provided in July, October, and November 2002 is \$34,715:

Month of Service	Claim Amount
July 2002	\$25,908
October 2002	2,434
November 2002	6,373
Total	\$34,715

DMH is requesting your Board's authorization to reimburse Penny Lane \$34,715 for EPSDT Medi-Cal services provided in the FY 2002-2003. This action will generate goodwill in the provider community, which DMH feels will translate into maintaining access to mental health care by Los Angeles County Medi-Cal eligible beneficiaries.

#### Implementation of Strategic Plan Goals

The recommended Board action is consistent with the principles of the Countywide Strategic Plan Organizational Goal No. 4, "Fiscal Responsibility." Board approval of this request will authorize reimbursement to Penny Lane for services rendered.

# FISCAL IMPACT/FINANCING

There will be no change to the MCA for FY 2002-2003. The Amendment will shift an equal amount of \$34,715 from the FFP funding category to the Realignment funding category in the Legal Entity Agreement's Financial Exhibit so DMH can reimburse Penny Lane \$34,715 for the EPSDT Medi-Cal services provided in FY 2002-2003. The payment is fully funded with the FY 2004-2005 Adopted Budget's claims settlements funds account.

The Honorable Board of Supervisors May 19, 2005 Page 3

### FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Penny Lane has not yet received its reimbursement for July, October, and November of 2002 Medi-Cal claims due to errors caused by duplicate match ID numbers and a Medi-Cal Certification administrative delay. These claims cannot be re-billed due to the State's twelve-month Medi-Cal claiming statute. Since these claims are ineligible under the State's twelve-month submission requirement, they will not be allowed by the State for consideration during the settlement process.

### July 2002 Claims Error:

The July 2002 claims, totaling \$25,908, were not submitted to the State. DMH's Mental Health Management Information System (MHMIS) rejected the July 2002 claims and placed them in the suspend files category, because the claim ID numbers assigned to these claims had already been used for previously entered claims. In other words, the same claim ID numbers previously used were again re-assigned by the MHMIS to the July 2002 claims.

The duplication of claim ID numbers occurred during the claims processing. Normally when the MHMIS crashes, the Internal Services Department (ISD) restarts its jobs. If the system crashes during the time the claim IDs are being assigned and ISD needs to restart the system, the counter for the claim ID begins where it left off. This did not happen and consequently, duplicate claim IDs were assigned to two (2) different transactions. One set of the claims was submitted and approved by the State and the other, in this case the July 2002 claims, were denied by the DMH's MHMIS and placed in the suspend files. This correction has been made in the MHMIS. However, this is no longer an issue since the contract provider is now using the new Health Insurance Portability and Accountability Act (HIPAA) compliant Integrated System (IS) for data entry and fiscal claiming.

#### October and November 2002 Claims Error:

The October and November 2002 claims were not submitted to Medi-Cal due to a Medi-Cal certification error. The contract provider's certification effective date was July 1, 2002; however, due to the Department's administrative process delay in certification, DMH's MHMIS blocked the claims submission with the error message "Provider Profile Error," which indicated that the contract provider was not Medi-Cal certified. The contract provider was unable to bill Medi-Cal until December 2003. Although the correction has been made in the MHMIS, these claims cannot be re-billed due to the State's twelvemonth Medi-Cal claiming statute.

The Honorable Board of Supervisors May 19, 2005 Page 4

Approval of this action will resolve the payment issues which, given the circumstances, were one-time occurrences.

The Amendment format has been approved as to form by County Counsel. In addition, the Chief Administrative Office and DMH's Fiscal, Program Administrations, and Chief Information Office have reviewed and approved the proposed action.

## **CONTRACTING PROCESS**

This subject does not apply.

### IMPACT ON CURRENT SERVICES

There is no impact on current services. Board approval of this request will enable DMH to make a \$34,715 payment to Penny Lane for FY 2002-2003 EPSDT Medi-Cal services not reimbursed by the State due to the above referenced errors.

# CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board action. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684 when this document is available.
